

# Bowl for Autism

SUNDAY, MARCH 10 | Spins Bowl in Independence

## SPONSORSHIP OPPORTUNITY

Founded in 2003, Milestones Autism Resources improves the lives of individuals on the autism spectrum by educating, coaching and connecting the autism community with evidence-based information. We envision a community in which individuals on the autism spectrum reach their full potential as contributing members of society, recognized for their strengths and supported in their challenges.

Over 350 participants from the Greater Cleveland Area will come together for bowling, face-painting, balloon artists and more for Milestones' Strike It Big Bowling Extravaganza. All contributions from the event help support the organization's free Autism Helpdesk. We hope you'll join us in supporting local families impacted by autism.
